

Agenda Item: 7.B.

MEETING: April 21, 2020
TO: Trinity LAFCo Commissioners
FROM: Colette Metz Santsche, Executive Officer & Kathy Bull, Administrator/Clerk
SUBJECT: Trinity Life Support CSD Status Report

Background:

The proposed Trinity Life Support Community Services District Formation was conditionally approved by the Trinity Local Agency Formation Commission (LAFCo) on September 17, 2019, as outlined in Resolution No. 19-03. Due to a lack of voter support at the March 3, 2020 election for a special tax levy to finance the services and operations of the district, a condition of district formation, LAFCo has issued a Certificate of Termination (see attached).

Discussion:

The Cortese-Knox-Hertzberg Local Government Reorganization Act (CKH Act) provides that if proceedings are terminated, no substantially similar proposal for a change of organization or reorganization of the same or substantially the same territory may be filed with the commission within one year after the date of the certificate of termination *unless* waived by the commission if it finds these requirements are detrimental to the public interest (Government Code Section 57090). It is anticipated that the Board of Supervisors will be considering a draft Resolution to re-initiate LAFCo proceedings for the formation of a community services district to sustain ambulance services with a reduced parcel tax of \$45 for developed residential and commercial properties. Proponents for the formation are looking to the November election for approval of the CSD formation and parcel tax.

Recommendation:

Staff recommends the Commission discuss and provide direction to staff regarding the waiver of the one-year waiting period.
