AGENDA ITEM 8.A.

MEETING:    October 19, 2021
TO:         Trinity LAFCo Commissioners
FROM:       Colette Metz Santsche, Executive Officer & Kathy Bull, Administrator/Clerk
SUBJECT:    Return to In-Person Meetings and Teleconference Access Options

BACKGROUND

The Trinity LAFCo Commission has been meeting remotely via Zoom since April 2020 and conducting its meetings under the Governor's Executive Orders issued in connection with the COVID-19 pandemic. The Executive Orders modified certain Brown Act requirements including the following:

- Waived the requirement that there be a physical meeting location open to the public to attend Commission meetings and comment during the meeting.
- Waived the requirement that the agenda identify and notice each teleconference location of each member of the Commission that is participating by teleconference.
- Waived the requirement that each teleconference location be accessible to the public.
- Waived the requirement that members of the public be able to address the Commission at each teleconference location.
- Waived the requirement that local agencies post agendas at all teleconference locations.
- Waived the requirement that at least a quorum of the Commission participate from within the boundaries of the territory of the Commission's jurisdiction.

The Governor’s Executive Orders expired on September 30, 2021. At the June LAFCo meeting, the Commission discussed returning to in-person meetings with this October meeting being the first time back together.

DISCUSSION

Moving forward there are two teleconference access options that the Commission could consider as discussed below:

1. **Remote Public Participation** – the Library Meeting Room space is now set up to support zoom teleconference. The Trinity County Board of Supervisors has continued a hybrid approach allowing limited in-person attendance and also remote public participation. One option is to continue to provide a zoom link to LAFCo meetings to allow members of the public to participate remotely. This would take some staff effort and coordination with County staff to arrange.

Colette Santsche, Executive Officer/e-mail: colette@trinitylafco.org
Kathy Bull, Clerk Administrator/e-mail: kathy@trinitylafco.org
2. **Remote Commission Participation** - The Legislature approved as an urgency matter AB 361, which was signed by the Governor on September 16, 2021, which amends the Brown Act to allow continued public meetings flexibility following the Governor's Executive Orders expiration. The AB 361 modified meeting rules allowing remote meeting access can only be used in the event there is a Governor issued state of emergency. The Governor's COVID-19 state of emergency satisfies this requirement. If the Commission desires to continue to offer remote meeting access for Commissioners, the Commission will need to formally vote and adopt a resolution at a future meeting finding that the provisions of AB 361 exist. In addition, AB 361 requires the Commission to continually evaluate the COVID-19 emergency and determine if teleconference access at meetings will continue due the circumstances of the state of the emergency and facts related to the potential risks to the health and safety of meeting attendees.

**RECOMMENDATION**

Staff recommends the Commission discuss these teleconference access options and provide direction to staff as desired.
AGENDA ITEM 8.B.

MEETING: October 19, 2021
TO: Trinity LAFCo Commissioners
FROM: Colette Metz Santsche, Executive Officer & Kathy Bull, Administrator/Clerk
SUBJECT: Status of MSR/SOI Work Plan

BACKGROUND

The Cortese-Knox-Hertzberg Local Government Reorganization Act directs Local Agency Formation Commissions (LAFCos) to regularly prepare municipal service reviews (MSRs) in conjunction with establishing and updating each local agency’s sphere of influence (SOI). The legislative intent of MSRs is to proactively assess the availability, capacity, and efficiency of local governmental services. MSRs may also lead LAFCos to take other actions under their authority, such as forming, consolidating, or dissolving one or more local agencies in addition to any related sphere changes. As part of the Commission’s annual budget process, a work plan for MSR completion is adopted.

DISCUSSION

The following is a summary of FY 2021-22 MSR/SOI updates:

Hayfork Fire Protection District
Hayfork FPD provides fire protection, rescue, and emergency response services. LAFCo staff has been in contact with Hayfork FPD Board President David Loeffler. Data collection efforts were stalled due to the Monument and McFarland fires. Work on the MSR will begin once more information is received from the District.

Douglas City Community Services District
Douglas City CSD provides fire protection, rescue, and emergency response services. LAFCo staff has prepared an information request and will begin once information is received from the District.

Junction City Fire Protection District
Junction City FPD provides fire protection, rescue, and emergency response services. LAFCo staff has prepared an information request and will begin once information is received from the District.

Post Mountain Public Utilities District
Post Mountain PUD provides fire protection and limited road maintenance services. LAFCo staff has prepared an information request and will begin once information is received from the District.
Ruth Lake Community Services District
Ruth Lake CSD provides fire protection, ambulance, park and recreation, road maintenance, and water services. LAFCo staff has been in contact with Ruth Lake CSD staff and will continue work on the MSR will begin once more information is received from the District.

RECOMMENDATION

Staff recommends the Commission receive and file this report.
Greetings from your CALAFCO Board of Directors and Executive Director. It’s summer and a hot one it is. As the drought continues, wildfires begin to rage, and we continue to deal with the pandemic, we hope everyone is staying healthy and safe.

This Third Quarterly Report of 2021 will begin by highlighting the news in our CALAFCO family first, followed by Association updates. Happy reading!

**Congratulations on these retirements**
We want to congratulate two long-time LAFCo leaders on their retirements. Their contributions to CALAFCO and to LAFCOs statewide are far too numerous to list here. Needless to say, they both leave huge shoes to fill and will be greatly missed. We wish them both all the best in their retirement!

After a 33-year career in local government, **Don Lockhart**, Sacramento LAFCo Executive Officer, retired at the end of July. Don began his local government career in Calaveras, then after 12 years at the City of Sacramento (where he processed his first annexation), he joined the Sacramento LAFCo team in 2002. Don became the Executive Officer in 2017. Don also served as CALAFCO Deputy Executive Officer in 2008 and 2011.

Also calling it time to retire this month is **Kris Berry**, Placer LAFCo Executive Officer. Her local government career began 36 years ago in Monterey County as a Planner, and after 17 years she joined the Monterey LAFCo team. She’s been the Placer LAFCo EO for well over 16 years. Kris also served as CALAFCO Deputy Executive Officer in 2016-17.

The final session will present three very different case studies from urban, suburban and rural LAFCos.
Join us on September 1 for another session on *Forming a CSD*. Details for all CALAFCO University courses are on the CALAFCO website.

**CALAFCO BOARD ACTIONS**
The Board met virtually on July 30 with a full agenda. Under the leadership of *Chair Mike Kelley*, the Board took a number of actions.

- **The FY 2020-21 final year-end budget was presented.** The Board received the year-end fiscal report which includes a net balance of $69,986. For the first time, CALAFCO had to sustain itself solely on member dues as there was no Staff Workshop, Conference or CALAFCO U revenue. Savings were realized in many operational areas.

- **Updated Policies for Sections III and IV of the current CALAFCO Policies were adopted.** One of the goals for 2021 is to conduct a comprehensive review of CALAFCO Policies, considering two sections per quarter. This is the second of a three-phase update process. The updated policies can be found on the CALAFCO website.

- **Associate member survey was presented.** CALAFCO recently conducted a survey of our Associate members to get feedback on membership services provided and how we can enhance our partnership value with them. Staff will continue to gather information from our Associate members as we work towards revitalizing and enhancing that program.

- **The Board received the Legislative Committee report and began discussion on legislative priorities for 2022.** An update on current legislative matters was provided, followed by a discussion about potential legislative priorities for 2022. The Board considered the extension of service proposal it tabled for 2021 and committed to revisit for 2022, along with supporting moving forward the consolidated language of existing protest provisions and an Omnibus bill.

Last quarter we reported to you on the Board’s approval of CALAFCO filing an amicus letter to the CA Supreme Court requesting they review the decision in the case of *San Luis Obispo Local Agency Formation Commission v. City of Pismo Beach*. The letter was filed and the Court denied the request to review the decision, and further denied the request to de-publish the decision. While the Board acknowledges this is an important and unfavorable decision for LAFCos, there is mixed sentiment amongst LAFCos as to the overall impact of this decision. As a result, there will be discussion of the matter during the Annual Conference at the legal counsel roundtable and during a topical roundtable breakout session.

- **Several other reports were received.** Including Elections Committee, Awards Committee, a CALAFCO U update and an update on the Conference.

All Board meeting documents are on the CALAFCO website.

**CALAFCO Administrative Update**

A reminder to all our members that September 1 is the deadline to remit your CALAFCO dues for FY 2021-22. We are pleased to report that all Associate Members have been transitioned to a FY cycle rather than calendar year cycle and thank them for their patience during that transition.

**CALAFCO Legislative Update**

This is the first year in the two-year legislative cycle, and wow has it been a busy one so far for CALAFCO.

This year, 2,721 bills were introduced which is about the average number. However, complicating the legislative process this year is the fact the Legislature has compressed their hearing schedule due to a shortage of hearing rooms that allow for social distancing. This means there is not the normal timeframe to negotiate amendments before bills get heard in committee and legislators are being required to seriously prioritize their bills for passage. (Only 12 bills per author were allowed to move from their house of origin to the other house.)

The Legislature returns from summer recess on August 16 and there will be the last minute flurry of amendments and pushing bills through the pipeline. Looming deadlines include: August 27 - last day for fiscal committees to meet and push out bills; September 3 - last day to amend bills on the floor; and September 10 - last day for the Legislature to pass bills. The last day for the Governor to sign bills is October 10, 2021.

This year, more than in past years, CALAFCO has been called on to work with legislators, their staff, and stakeholders in crafting amendments to bills. CALAFCO staff has done a large amount of negotiation on current
and potential legislation, beginning last November and continuing today.

This year alone, four subcommittees were created to work on various bills, including the Caballero water authority bill (never introduced), AB 1195 (C. Garcia), SB 403 (Gonzalez) and SB 96 (Dahle). CALAFCO wishes to thank all the Legislative Committee and Advisory Committee volunteers, and also those who serve on these various subcommittees.

We are currently tracking 33 bills. Here are a few of the bills of importance we are tracking or have worked on:

- **AB 1581 (Assembly Local Government Committee Omnibus)** CALAFCO Sponsor. The annual Omnibus bill authored by the Assembly Local Government Committee (ALGC) and sponsored by CALAFCO was first introduced on March 9, 2021 and contained four proposals. Amended on April 19, the bill added two proposals originally approved by the Committee that required extended stakeholder review, and seven additional items that were a product of the Protest Working Group, eliminating obsolete special provisions. In total, the Omnibus bill this year contains thirteen (13) proposals. **The bill was signed into law by the Governor on June 28, 2021.**

- **AB 1195 (C. Garcia)** CALAFCO Watch With Concerns. Drinking water. Creates the So LA County Human Rights to Water Collaboration Act and gives the Water Board authority to appoint a Commissioner to oversee the Central Basin Municipal Water District. CALAFCO worked extensively with staff from both the author and Speaker’s offices, as well as other stakeholders on crafting amendments that include a special pilot program for LA LAFCo. The bill passed the Assembly but given substantial pushback from stakeholders, it was **held over in the Senate as a two-year bill.**

- **SB 403 (Gonzalez)** CALAFCO Neutral. Drinking water consolidation. Authorizes the Water Board to order consolidation where a water system serving a disadvantaged community is an at-risk water system, as defined, or where a disadvantaged community is substantially reliant on at-risk domestic wells, as defined. All three of our requested amendments were accepted by the author and we removed our opposition as a result. After undergoing three rounds of amendments since introduction, the bill passed the Senate and is in the **Assembly Appropriations Suspense file.**

- **AB 897 (Mullin)** CALAFCO Support. Regional Climate Networks. The bill builds on existing programs through the Governor’s Office of Planning and Research (OPR) by promoting regional collaboration in climate adaptation and resilience planning and providing guidance for regions to identify and prioritize projects necessary to respond to the climate vulnerabilities of their region. CALAFCO requested an amendment to explicitly state LAFCos are eligible entities for participation in the regional climate networks, which was accepted. **The bill is now awaiting hearing in Senate Appropriations.**

All bills being tracked by CALAFCO can be found on the CALAFCO website inside the Legislation section of the site (log in with your member id first to access this section). CALAFCO’s position on all bills is reflected there, and any letters issued by CALAFCO are posted. The CALAFCO Legislative Committee meets regularly and all meeting materials are located in the Legislation section of the CALAFCO website.

Watch for solicitation of legislative proposals for 2022 coming soon!
