AGENDA ITEM 5.A.

MEETING: April 30, 2024
TO: Trinity LAFCo Commissioners
FROM: Colette Santsche, Executive Officer
SUBJECT: Proposed Budget for Fiscal Year 2024-25

BACKGROUND

Local Agency Formation Commissions (LAFCos) are responsible for annually adopting a proposed budget by May 1st and a final budget by June 15th in accordance with Government Code Section 56381. State law specifies the proposed and final budgets shall, at a minimum, be equal to the budget adopted for the previous fiscal year unless LAFCo finds the reduced costs will nevertheless allow the agency to fulfill its prescribed regulatory and planning duties.

DISCUSSION

Funding Sources:

Trinity LAFCo’s annual operating expenses are principally funded through appropriations from the County and Special Districts, in addition to application fees. Each fiscal year, after the Commission adopts the final budget, the County Auditor apportions operating expenses between the County and the independent special districts. Statutory authority allows the County Auditor to collect the amounts apportioned.

Operating Expenses:

The proposed operating expenses reflect the anticipated staffing services, daily operational needs, and preparation of municipal service reviews and sphere of influence updates. No changes in operating expenses are proposed from the prior fiscal year.

Operating Revenues:

Staff is proposing an approximate 3% increase to contributions from local funding agencies in Fiscal Year 2024-25 to reduce reliance on reserves needed to balance the operational budget.

Proposed Work Plan:

As stated above, the proposed budget is intended to cover basic operating and administration expenses of the commission. This includes the development of municipal service reviews and sphere of influence updates for special districts throughout the county. As part of the Fiscal Year 2024-25 budgeting process, staff is proposing the following work plan:
